**Important information about Your Internet Price Guarantee**

Great news - your account is enrolled in the 2 Year Internet Price Guarantee. The price of your base monthly internet rate will not change through 9/8/25, as long as you install and maintain your eligible Fios service in good standing.

**Information on the federal Affordable Connectivity Program (ACP)**

What is the ACP?  
The ACP was created by Congress and implemented by the Federal Communications Commission (FCC) to help eligible households receive a subsidy of up to \$30 a month, or up to \$75 a month on Tribal Lands, towards internet service.

- Who is eligible to participate in the ACP?  
You may be qualified for the program if:
- You, your child or dependent participate in certain government assistance programs, such as SNAP, Medicaid, WIC, or other programs.
  - You're a member of select Tribal Assistance programs.
  - You, your child or dependent already receive a Lifeline benefit.
  - You received a Federal Pell Grant in the current award year.
  - You're eligible based on your household income.

- How do I enroll in the ACP?
- Step 1: Apply to qualify at [ACPBenefit.org](https://secure.verizon.com/signin).
  - Step 2: After your internet service has been activated, enroll <https://secure.verizon.com/signin>
  - to have the subsidy applied to your bill.

Thanks for choosing Verizon.

Note: ACP is non-transferrable and limited to one monthly internet discount. ACP is a federal government benefit program operated by the Federal Communications Commission and, if it ends, or when a household is no longer eligible, customers will be subject to the provider's regular rates, terms, and conditions.
